

Does the student have a plan of work? **yes** **no***

If yes then please comment on that plan otherwise write down your suggestions.

None Provided

behind target -> need to adjust

Does the student know how they are going to evaluate their work? **yes** **no***

If yes then please comment otherwise write down your suggestions.

Need to clarify goals
& objectives in order to
be able to define evaluation.

Any other recommendations as to the future direction of the project

Decide which algorithms / frameworks you
will use. (OSM or Google). Project is ambitious
and may require scaling back based on
progress so far ..
